Our Designers who are looking to grow their sewing skills will be able to enhance them as we teach alongside our young designers. Our students are able to design and challenge their skills to create the perfect spring dress. Measuring, pinning, cutting out, and of course sewing. Our students will do it all! No experience required, we will teach you! At the end of our class our students are able to show off their skills in our fashion show for their family and friends!

*No Sewing Experience Necessary.*

*Fee: \$250.00*

**\*\*All supplies & equipment provided\*\***
