Our Trapeze Dress is perfect for the upcoming warm weather! Our beginners who are looking to grow their sewing skills will be able to enhance their sewing skills as we guide alongside them .

For our Advanced Beginners we are going to be making the Trendy Cutout Dress. A little more advanced in technique, our students are able to design and challenge their skills to create the perfect spring dress.

Measuring, pinning, cutting out, and of course sewing. Our students will do it all! At the end of our class our students are able to show off their skills in our fashion show for their family and friends!

No Sewing Experience Necessary.

Fee: \$200.00

****All supplies & equipment provided****
